Communication Preferences

We would like to keep you up to date on our products and services, promotions, special offers and news from HPA and the AFI Group of Companies.

Yes please, I'd like to hear about your news, HSEQ bulletins, offers and services via Email Post Phone SMS

I would like to hear more Hire Training Sales Safety

No thanks, I don't want to hear about your latest news, HSEQ bulletins, offers and services

I authorise you to obtain references from the above and to arrange credit facilities to be opened and agree to the terms and conditions.

INSURANCE: Customer insurance must include specific "hired in" plant clause of which Hampshire Plant & Access Hire require a copy. All customers must also be insured for Model CPA Conditions Clause 13, and substantial single item cover. Please read the notes attached as you may not be aware of your responsibilities relating to Plant Hire.

For HPA use only:	Approved By:

Conditions

Credit accounts are granted by the company to meet the requirements and convenience of customers, but only on the following conditions.

- a) The maximum accounts of credit granted in any month may be varied or suspended at any time.
- b) The accounts may be used for hire and service of equipment and parts transactions. New equipment must be paid for as per each individual sales negotiation.
- c) Monthly statements of accounts are rendered according to our accounting months which ends on the last working day of each month.
- d) All invoices are payable strictly 30 days Nett from date of invoice.
- e) All hires subject to the Model CPA conditions of hire, copies available from Head Office on request.

Insurance

- a) We have found very few customers to be covered by “hired in” plant which is a separate policy to normal Contractors Policies.
- b) Some of our customers have also found out to their costs that they are not covered for clause 13 of Model CPA conditions (continuing hire charges until replacement or reimbursement by the customer of the Insurance Company).
- c) Inadequate single item loss cover i.e suggested single item cover of £60,000 failure to cover our equipment could result in civil action being taken to recover all the cost of our losses.
